The Result Display Tab

File Analyzer and Metadata Harvester

File Analyzer

Criteria Import Progress Details Merge Checksum1 Checksum2 fines-paid.csv fines-paid.csv Generated 3

Remove Tab

Each rule may define custom filters that can be used to limit the results that will display

Discard a result tab when it is no longer needed

Column headers are sortable by clicking on them

Totals will appear. If a filter is in effect, this will be conveyed.

The time it took to run a task will also appear.

If you need to export or save the results for use in another program, click here. Filters will apply on export.

Export Table
